

# Braille Alphabet Chart

Unified English Braille (UEB) · the numbers under each sign are its raised dots

## Letters A to Z

Dots 1-2-3 run down the left of a cell, dots 4-5-6 down the right. With no capital sign, a letter is lowercase.

|                                                                                                            |                                                                                                            |                                                                                                            |                                                                                                              |                                                                                                             |                                                                                                            |                                                                                                            |

# Braille Punctuation and Symbols

Unified English Braille (UEB) · the numbers under each sign are its raised dots

## Punctuation

The question mark and the opening quotation mark share one cell; where it stands tells them apart.

|                                                                                                                      |                                                                                                                      |                                                                                                                      |                                                                                                                  |                                                                                                                        |
